

Celebrating over 30 years, 22,000 wishes and countless smiles.

Joy is a wonder drug

Dear Charity Cards Friends and Customers

Through the Charity Cards partnership you have helped deliver more than **64 wishes** to children with life-threatening illnesses over the last 15 years! It is because of your continued support that families get to share in the joy outside of their everyday routine of illness. Thank you for your commitment to ensuring that each wish becomes an individual adventure; creating a life time of memories.

Through the generosity of partners like you, the Children's Wish Foundation of Canada has been able to grant over 22,000 wishes and continues to grant three wishes a day! This year marks our 30th anniversary and since our inception we have made it our mission to grant wishes to children who are coping with life-threatening illnesses.

The Children's Wish Foundation of Canada is tremendously grateful for your support. The children and families whose wishes you helped fulfill are the ones who really want to show their utmost appreciation and thanks.

"Noah's wish being granted has altered our outlook on life. The world is full of incredible and selfless individuals, willing to do amazing things for my child who has seen so much pain. Your kind and generous act truly changed our lives forever."

- Noah's Mom

We are thankful Charity Cards selected Children's Wish as a partner. Granting wishes that provide magical moments in the lives of those that face so many difficulties is an investment to be proud of.

With every best wish,
